

Program Specific Outcomes and Course Outcomes are measured using various indicators throughout the semester of the academic year. At the beginning of every semester, the subject teacher conveys and explains the course objectives, evaluation pattern, marking scheme etc. to the students at the introductory part of respective subjects. The Academic Calendar, Prospectus and Routine framed by the college were distributed at the beginning of semester. The institution follows the syllabi laid down by the affiliating university for all its subjects. It ensures the completion of the mentioned syllabi through a teaching plan that is also provided to the students at the beginning of semester. The Principal in coordination with the Heads of the Department monitor the execution of the assigned syllabus and its timely completion. The final outcome of the course is evaluated through the performance of the students that is analysed at the end of each semester examination.
