Research Report

Our faculties are involved in Research Works in various fields of science and social sciences. The outcomes of research have been published in various journals of international repute. Dr. Purak Das, Assistant Professor in Chemistry, performs his research on synthesis, characterization of different metal complexes and their X-ray crystallographic analyses. He also engaged in studying the theoretical analysis of synthesized compounds. Dr. Suven Das, Assistant Professor in Chemistry, focuses on synthesis, properties and spectroscopic analysis of organic compounds including heterocycles. Sourangshu Halder, faculty of Chemistry pursues his research on synthesis, structure and solution chemistry of oxido-vanadium complex and their photophysical studies. Dr. Sutanuka Pattanayak, faculty of Chemistry focuses her research interest on materials chemistry emphasizing on nano materials. Dr. Paromita Bhattacharjee, faculty of Zoology performs her research based on in-vitro cytotoxicity targeting nucleic acid. Nandini Pal, faculty of Zoology focuses her research on biocontrol agent on the management of rice insect pest. Soumen Bhattacharyya, faculty of Physiology carries out his research on associative strength and activities of motor units in diaphragm. Dr. Ankita Bhattacharjee, faculty of Physiology emphasizes on redox signaling environmental issues on human health. Dr. Tulima Dey, Librarian performs her research on digital learning, distance learning and PG Pathshala. She also focuses on information security, authenticity as well as social networking sites. Debjani Ghatak, faculty of Education mainly highlights on innovation in early childhood care and teacher education in post-pandemic era. Pallavi Julasaria, Assistant Professor in Economics performs her research in the area of firm performance and financial distress of selected cases in India. Tamal Ghosh, Assistant Professor in English focuses his research on analyzing different types of plays, novels etc. Dr. Pieu Mondal, Assistant Professor in Sanskrit highlights on the contribution of Rabindranath Tagore on Sanskrit Education.
